

Welcome to The Life Church!

We want to honor you and each other during this tough time. Here's how we can best do that.

A few things to keep in mind during this time of pandemic:

- **We wear masks.** Please keep one on while you are inside the common areas and while moving about the inside of the church. If you forgot one, we have some inside.
- **We take temperatures.** If you have a fever, we'll let you know so you can go home and rest!
- **We provide hand sanitizer stations.** Please wash and sanitize your hands often.

When should you NOT come to church?

- If you are not feeling well, don't come to church.
- If you have a fever or have had a fever in the past 24 hours, do not come to church.
- If you were recently sick and the symptoms (like coughing or sneezing or difficulty breathing) have not resolved yet, don't come to church.
- If you or someone in your household is awaiting COVID-19 test results, don't come to church.
- If you or someone in your household has tested positive for COVID-19, please don't come to church until your quarantine period has ended as directed by your doctor.

What should I do if I am sick?

- **We want to pray for you!** Call us or email us so we can be praying for you and help you in any way.
- We still want you to attend Sunday services and participate on-line via our Facebook page at www.facebook.com/thelifechurchwarren.
